

Name: Rohit Verma

Contact Information: +91 8765432109, rohit.verma@example.com, Bangalore, India

Objective: Seeking an internship in cybersecurity to enhance my skills in network security and contribute to the protection of digital assets.

Education:

- Bachelor of Engineering in Information Technology, Visvesvaraya Technological University, GPA: 8.9/10 (Expected Graduation: May 2025)

Technical Skills:

- Programming: Python, C
- Tools: Wireshark, Metasploit, Nessus
- Security: Network Security, Penetration Testing, Vulnerability Assessment

Professional Experience:

- Cybersecurity Intern, SecureWorks, Bangalore, India (June 2023 - August 2023)
 - Assisted in conducting penetration tests and vulnerability assessments
 - Monitored network traffic for potential security threats

Projects:

- Intrusion Detection System: Developed an intrusion detection system using machine learning techniques to identify malicious network activity.
- Phishing Detection Tool: Created a tool to detect phishing emails using natural language processing and machine learning algorithms.

Certificates:

- Certified Ethical Hacker (CEH)
- CompTIA Security+

Languages:

- English (Fluent), Hindi (Native), Kannada (Intermediate)

Hobbies:

- Playing Guitar, Hiking, Blogging about cybersecurity trends
