

Name: Priya Nair

Contact Information: +91 9123456789, priya.nair@example.com, Chennai, India

Objective: Seeking a junior machine learning engineer position to apply my skills in computer vision and contribute to innovative projects in the field.

Education:

- Bachelor of Technology in Computer Science, Anna University, Chennai, GPA: 8.7/10 (May 2022)

Technical Skills:

- Programming: Python, C++
- Frameworks/Libraries: TensorFlow, Keras, OpenCV
- Tools: Jupyter Notebook, Git

Professional Experience:

- Junior Machine Learning Engineer, VisionTech, Chennai, India (June 2022 - Present)
 - Developed and optimized computer vision algorithms for object detection and recognition
 - Implemented image processing techniques to enhance data quality and model accuracy

Projects:

- Object Detection System: Developed an object detection system using YOLO (You Only Look Once) algorithm for real-time detection in video feeds.
- Facial Recognition System: Implemented a facial recognition system using deep learning models to identify and authenticate users.

Certificates:

- Deep Learning Specialization, Coursera (offered by deeplearning.ai)
- Computer Vision Nanodegree, Udacity

Languages:

- English (Fluent), Tamil (Native), Hindi (Intermediate)

Hobbies:

- Photography, Traveling, Painting
